INTERNATIONAL ASSIGNMENTS

INTERNATIONAL ASSIGNMENTS

Have you wondered what life and work is like in a international setting, for example Gulf Country? Have you ever asked yourself what should I wear to an event? What kind of food do they eat? What should I talk about?

With just two suitcases in hand Benita takes you through here adventure and transistion from Confident Canadian business woman to confident, resourceful business woman in an Arab country. Imagine people, culture, and learning that even though things are different they are the same. This thought inspiring journey will help you thrive. Enjoy a new world found and explore new possibilities.

Fantastic for small or large groups, business people who are looking to step into the middle east, or those who want to expand their cultural horizons. Benita shares her experiences and answers your questions about living and working abroad.
